

Production Team - Crazy Christmas Cabaret 2018

Vivienne McKee - WRITER & DIRECTOR

Vivienne founded the English Theatre of Copenhagen - London Toast Theatre in 1982. She writes and directs the Crazy Christmas shows every year and also plays: “Don't Mention Hemingway”, “Shakespeare’s Ghost”. Her Danish TV and theatre includes “Langt fra Las Vegas”, “Ørnen”, “Young Frankenstein” for Fredericia Teater and Gertrude in “Hamlet” at Kronborg Castle, which was shown on Danish television. Her voice instructs Agent 47 in the international computer game “Hitman” and gives information on DSB trains. Her Stand Up is ideal for international companies who want to find out more about the Danes. She loves to travel around the world and her carbon footprint is shamefully high. The question often is: “Where’s Vivienne?” And the reply is: “Vivienne’s Off !”

Cast - Crazy Christmas Cabaret 2018

David Bateson

David is the longest running actor of the Crazy Christmas Shows. And “running” is the word. After 28 years he is still rushing around on stage and backstage making lightening costume and wig changes in numerous roles, not to mention, this year, all the different accents from Chinese and German to his impersonation of Donald Trump. After all that rushing around, his travel dream is to find a beach somewhere in the world and go surfing. When he is not performing his comedy skills in the CCC every year, he appears in Danish TV series and films. Best known as the voice of Agent 47 in the worldwide hit computer game, “Hitman”, he also adds his voice to many international commercials. David is delighted by “all the laughter and fun times in the CCC and appreciates the love shown over the years by our wonderful audiences.”

Tom Højlund Olsen

Tom likes to play for grand ladies, so when he isn't working for Dame Vivienne, he plays for Dronning Margrethe in the Royal Guard. He trained as a classical percussionist and therefore finds it oddly thrilling, that he should finger 4 strings on a bass guitar in the Crazy Christmas Cabaret band.
