

Crazy Christmas 2019

THE THREE BREXITEERS

Vivienne McKee is back - and she's crazier than ever !

“The Three Musketeers” gets the McKee treatment. Who knows how she does it, but this year she manages to transform this timeless tale into a hilarious, action-packed and deadly serious satire on Brexit !

In 17th century much-divided Europe, the nations attempt to form a treaty, but are thwarted by master manipulator, Cardinal Rich-luugh and his alluringly spy, Milady de Whichway.

A boisterous band known as The Three Brexiteers - Atosser, Amorous and Porkpie, and a Parisian “gillet jaune” protester, Dame Babette Boumboum together with her niece, Constance Camembert, become involved in a terrorist action to bring down the Monarchy and divide Europe. Double crossings, conspiracies and fake news keep The Brexiteers on their toes as they fight enemies on both sides of the Channel. This year’s Crazy Christmas evokes a time when, in the immortal words of May-lady, “Brexit means Brexit“.

Starring Vivienne McKee, David Bateson, Andrew Jeffers, Bennet Thorpe, Jeff Bond, Katrine

Falkenberg, Kevin Kiernan-Molloy and the ever-versatile Dr Van Helsingør.
