LONDON TOAST THEATRE offers you an entertainment of murder and mystery in the true Agatha Christie style, presented by a troupe of top-professional comedy actors based in Copenhagen.

In an exciting location of your choice - for example, we have performed at the medieval castle of Dragsholm on Zealand, the majestic Hindsgavl Slot on Funen, the Hotel Store Kro in Fredensborg, Det Ny Teater in Copenhagen, Landskrona Slot in Sweden and also many excellent Company headquarters - wherever you choose for your event - you and your guests are ready to enjoy a splendid evening...when, suddenly, - there is a feeling of evil in the air!

Your party is joined by a group of eccentric people who are acting very suspiciously!! Suddenly a dead body is discovered!! The police are called and during dinner you are informed that the case is being treated as....MURDER!!

Everyone is under suspicion and no one must leave until the crime is solved! This is your chance to play at being a detective! Clues and more evidence are revealed during the evening and more murders and other dramatic events occur, which combine to make this an evening which could frighten you to death or, more likely, make you die laughing!
